CLOUD SERVICES AGREEMENT

Between Contoso Holdings Inc. ("Customer") and Northwind Cloud Services ("Provider")
Effective Date: 2026-02-01. Term: 12 months, renewing annually.

1. Services. Provider shall supply managed compute, storage and support services as described in
Order Forms. Service levels are set out in the Service Level Schedule.

2. Fees. Provider shall invoice monthly in arrears at the following contracted rates:
(a) Compute instance (monthly): USD 250.00 per instance;
(b) Storage (TB-month): USD 20.00 per TB;
(c) Support hours: USD 150.00 per hour.
Rates are fixed for the initial term.

3. Committed-Spend Discount. In consideration of Customer's annual commitment:
DISCOUNT: 10% on all services.
The discount shall be applied to every invoice as a separate discount line.

4. Payment Terms. Customer shall pay each invoice within Net 30 days of receipt.

5. Service Credits. Missed service levels entitle Customer to service credits per the Service Level Schedule, applied to the following invoice.

6. Confidentiality. Each party shall protect the other's confidential information.
